

What are the aims of this course?

V Certs offer a high quality alternative to the traditional GCSE qualification. Appropriate for key stage 4 learners who are motivated and challenged by learning through hands on practical content. This combined L1/2 course will introduce learners to Business and Enterprise through vocational and project-based elements. In addition learners will develop transferable skills through teamwork, presentations, using own initiative and working independently.

What will I learn?

Learners will gain a broad understanding of the business and enterprise world, including the characteristics of an entrepreneur and the aims and objectives of a business. You will learn how businesses plan for the future and the source of funding they may access in order to set up and maintain business activity. There will be opportunities to study business organisational structures and how to work with different stakeholders. You will learn the requirements of human resources when a business starts up and how internal and external influences can impact upon a business.
