ACADEMIC EXCELLENCE - HIGH STANDARDS & EXPECTATIONS - SUCCESSFUL, SAFE, HAPPY STUDENTS

13th March 2023

Dear Parent/Carer

Year 11 Core Subject Parents' Evening

As the forthcoming public GCSE examinations are fast approaching, The Barlow RC High School are inviting you to a Year 11 'Core Subject' Parents' Evening.

Again, it is essential that your child works to their maximum potential and keeps up to date with their classwork and coursework.

A Year 11 'Core Subject' Parents' Evening has been planned for:

Thursday 30th March

4.15 pm - 6.15 pm

This evening will provide you with the invaluable opportunity to meet with subject teachers to inform you of your child's progress to date, to discuss any concerns we have and intervention and support opportunities available for your child over the next few months.

Education works best when parents and teachers work together and we cannot underestimate the positive impact this has on students' performance and success.

Please let your child know what time you will be available from and get them to fill in the appointment slip (which they will receive this from their family tutor) with their subject teachers.

Please can you click on the link below by Thursday 16th March to confirm if you will be able/not able to attend the Year 11 parent's evening:

I look forward to meeting you on this important evening.

Yours faithfully

P. Scott
